**ORDER SEALING FILINGS REGARDING PLAINTIFF'S MOTION FOR ISSUANCE
OF A COMMISSION**

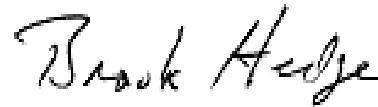

Defendants Joseph R. Price, Victor J. Zaborsky, and Dylan M. Ward filed a joint Motion to Seal Plaintiff's Motion for Issuance of a Commission to Verizon Communications. The Court has directed to Clerk of Court to seal plaintiff's motion and related filings until the Court can rule on the Motion itself. It would seem that the attachments of emails should be sealed. Indeed, had the request been made directly to defendants pursuant to Rule 34, such materials would not be a part of the record. The Court understands that the materials were submitted to establish the relevancy of the request and, as such, they are appropriately before the Court. Accordingly, it is by the Court this 16th day of August 2010, hereby

ORDERED that defendants' Motion to Seal plaintiff's Motion for Issuance of a Commission is granted in part; and it is further

ORDERED that until further Order of the Court, plaintiff's Motion for Issuance of a Commission, the opposition thereto and the additional filings submitted with the Motion and

Opposition are sealed; and it is further

ORDERED that the parties should submit a public record filing discussing in general terms what is contained in the sealed materials such that the public record is complete, whenever a sealed filing is submitted.
