Happy Anniversary Joe. I hope you know how much I love you. You mean the world to me. I can't imagine my life without you. I've built a family together with the boys. I'm, course, your brother and my family. Family bonds are very strong and I'm very happy that you and I have forged that bond.

I'll miss you while you're away for the next 10 days. I suppose Abame makes the heart grow fonder. But hurry home my way!

Let's celebrate together next year. I think it's good to plan ahead.

Sometimes it seems as if we've been together forever, but we still have a lot of life to live.

Together.

Happy Anniversary

With all of my heart.

Love,

Victor
