French Kitty

Dearest Dylan,

- 2005 -

Couldnt help but think of you when
I saw this card. I know you think you
arent the same old you but to me you
are & this card captures you & what you
give to my life - color - altitude - fun -
smartness - and excitement. You
are magic to me & I know in this
crazy & hectic life we live (or that
lives us) I dont say that enough. So
lets make more time for us & to
live & love!

all my love

Joe
